Uses I authorise

- ☐ Publication on iglow.es to present Iglow services and work.
- ☐ Publication on Iglow official Instagram, Facebook, TikTok, YouTube or LinkedIn profiles.
- ☐ Publication in printed Iglow service presentation materials.
- ☐ In addition to photographs, the identified video recordings and voice in the channels selected above.

Scope

The purpose is to present Iglow services and work. Permission does not cover paid advertisements, selling images, AI model training or publishing contact details. Other people and minors require separate valid authorisation. This permission is free of charge, valid for two years from signing and may be withdrawn earlier. Only cropping, lighting adjustments and anonymisation are allowed, without misleading alterations or degrading montages.

Website and social media publication is publicly accessible internationally. Third parties may make copies outside Iglow control. Iglow will stop using the material and remove it from channels under its control when permission expires or is withdrawn, and handle requests to third parties where applicable.
